Answer from what the passage actually says — stay in the text.

1. What does this show me about God?

God takes Abram outside at night to show him the promise instead of only saying it. What does that tell you about God?

2. What does it show me about people — and about me?

Abram believes God before anything has changed. What does believing look like while you are still waiting?

3. What will I obey this week?

What is one thing you are waiting for that you will pray about this week instead of worrying about?

4. Who will I tell?

Who could you show the stars to, and tell what God said to Abram?

3 Grow

Growth is God's part, not yours. Do the cycle faithfully and trust Him to give the growth (1 Corinthians 3:6–7).

★ Pray

God, you took Abram outside and showed him the sky. Thank you that your promises are bigger than anything I can count. Help me believe you when nothing has happened yet.
