

Sun, moon, and living things

Genesis 1:14-25

1 Eat

Read the passage slowly, read it again, then retell it in your own words. If you can't retell it, read it once more.

☐ Read ☐ Reread ☐ Retell

2 Digest

Answer from what the passage actually says — stay in the text.

1. What does this show me about God?

God fills up every empty place he made. What does that show you about him?

2. What does it show me about people — and about me?

Why do you think God made so many different kinds of creatures instead of just one?

3. What will I obey this week?

What is one way you will take care of an animal or a plant this week?

4. Who will I tell?

Who could you tell about your favourite thing God made?

3 Grow

Growth is God's part, not yours. Do the cycle faithfully and trust Him to give the growth (1 Corinthians 3:6–7).

★ Pray

God, you filled the sky and the sea and the ground with living things. Thank you for every one of them. Help me take care of what you made.
