

The river stops

Joshua 3:9-17

1 Eat

Read the passage slowly, read it again, then retell it in your own words. If you can't retell it, read it once more.

☐ Read ☐ Reread ☐ Retell

2 Digest

Answer from what the passage actually says — stay in the text.

1. What does this show me about God?

The river only stops once the priests' feet touch the water. What does that show you about how God works?

2. What does it show me about people — and about me?

They had to step in before anything happened. What does obeying look like before you can see the result?

3. What will I obey this week?

What is one thing you will start this week without knowing how it ends?

4. Who will I tell?

Who could you tell about a time you obeyed God before you understood it?

3 Grow

Growth is God's part, not yours. Do the cycle faithfully and trust Him to give the growth (1 Corinthians 3:6–7).

★ Pray

*God, the water did not stop until their feet were already wet.
Thank you for the times you go first. Help me step even when I
cannot see how it will work.*
