## 2 Kings 5:19-27

### 1 Eat

Read the passage slowly, read it again, then retell it in your own words. If you can't retell it, read it once more.

☐ Read ☐ Reread ☐ Retell

### 2 Digest

Answer from what the passage actually says — stay in the text.

#### 1. What does this show me about God?

*Elisha knew what had happened even though he was not there. What does that show about how much stays hidden from God?*

---

#### 2. What does it show me about people — and about me?

*Gehazi tells one lie to get the gifts and another to cover the first. Why does one lie almost always need a second?*

---

#### 3. What will I obey this week?

*Is there anything you have that you should not have? What will you do about it this week?*

---

#### 4. Who will I tell?

*Who needs to hear that hiding something is more expensive than it looks?*

---

### 3 Grow

Growth is God's part, not yours. Do the cycle faithfully and trust Him to give the growth (1 Corinthians 3:6–7).

### Pray

*God, Gehazi got the presents and lost everything else. Help me want a clean heart more than I want stuff.*
